

Howard Volunteer Fire Dept.

Monthly Meeting

October 7, 2025

Chief's Report

Reviewed the additions to the new truck. If left as written would be approximately an extra \$16,000. Discussed taking off the back up camera, mounting of two lights on the console, and the chevron on back of truck. Will ask Goodrich Auto Works for an estimate to paint chevron on the back of the truck. We can add a back up camera later on if it is needed.

Motion to approve the other additions - Brian/ Roger

Rob received the thermometer for the sign outside. He will attempt to install it.

Dry hydrants need to be checked. Rob will do the one at Blades, Dave D volunteered to do some of the others.

We have had 114 calls so far this year. This is about the same as last year.

Committees

Jeff B and Mike K put in the new faucet today. They suggested putting a backing on the wall behind the sink in the kitchen.

It was decided to order 600 chicken dinners for the upcoming raffle. Dave is taking care of the money bags. Gary is picking up the beer, Jeff is getting the to go containers, door prizes and gift cards. Jeff R will be collecting the tickets and money.

It was decided to not do a Holiday Raffle this year. Possibly in the spring do a Spring Fling or a Golf Tournament. If doing a golf tournament now would be the time to write to companies asking for prize donations.
